Adopted by the Zoning Board on November 30, 1951 with subsequent amendments through December 31, 2014. This map was prepared for general reference only, and is not an official zoning map. The Official Zoning Map is on file in the Land Use Bureau of the City of Stamford. Questions regarding this map should be directed to the Zoning Enforcement Officer.

Water features, such as rivers and ponds, may overlay and obscure the colors used to denote zoning districts. The zoning district boundaries, represented by a solid blue line, should always be interpreted as the actual zoning boundaries.
